

CRAFTED COLLECTION

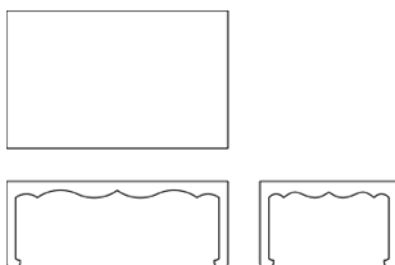

**Ming** - Shagreen coffee table celebrates Nature's most precious skin. For centuries, the stingray, a creature of the deep sea has captivated the human mind and imagination. Its skin is believed to have special power and bring good luck and prosperity to its bearer. The ancient Egyptians valued stingray skin for its unique beauty and durability. Of all the exotic leathers, Shagreen (stingray skin) is regarded as the most intriguing and prized luxury material.
