

CRAFTED COLLECTION

Tilla - Jade Heart Clam Shell console is custom made especially for one of London's finest Indian Restaurants at Knightsbridge in Central London, in collaboration with Jeffrey A. Wilkes of Design Wilkes, Kuala Lumpur, Malaysia.

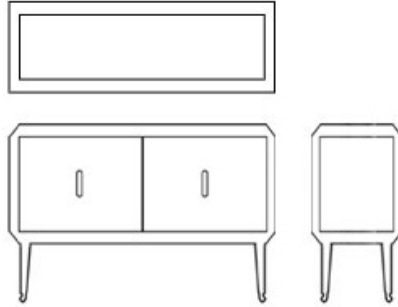

The design of *Tilla* console combines contemporary form, sensibilities of function, and the precious natural Jade Heart Clam Shell inlay surface with light antique brass handles and wheels to create a stunning crafted piece that exudes timeless elegance and commands presence in any interior.
